- Traveling

SUMMARY

I am a 4th-year IT student with a strong passion for web development, especially in backend. I am eager to learn new technologies, improve my problem-solving skills, and continuously grow in a professional environment. With adaptability, responsibility, and the ability to work under pressure, I am ready to contribute to team success and commit to long-term development with the company.

EDUCATION

Thuy Loi University 10/2022 - NOW
Major in Information Systems - Faculty of Information Technology
GPA: 3.4 / 4.0
Achieved Merit-based Scholarship for Excellent Academic Performance (2 semesters)
Active member of TPC Information Technology Club

PERSONAL EXPERIENCE

- **TCOM CORPORATION** 2/2025 - 6/2025
Mentor : haivinhinspirit@gmail.com
Position : Backend Developer Intern
Participated in 2 projects
 - Motoya – Second-hand goods trading system (express / react / mySQL)
 - Flamigo – Travel and tourism web platform (nest / bootstrap / portgreSQL)**Main responsibilities**
